If you would like to know more about the support that is possible, please call in to Sunflower Family Services at 47 Gurwood Street for some information.

The **Rotary Club of Wagga Wagga Murrumbidgee** is a '*new generation*' Club that encourages younger people to become members and to initiate projects, promote community liaison and awareness, and support our local community in issues that affect us all, now and into the future.

The Club meets every Tuesday at 6.30 pm for casual networking and after work drinks at the Wagga RSL Club. If this is your idea of fun, and you would like to '*give back*' to our community, please consider joining Murrumbidgee Rotarians at any of our Tuesday meetings.
